Spark Incubation Center; a project of Sagar Smart City Limited, Government of Madhya Pradesh, herein refer to as "Spark" having its office at old RTO premises, Tili Tiraha Sagar, M.P.-470002.

And

Dinesh Israni, Director Naman Angels India Foundation, with contact coordinates dinesh@namanangels.com and 9821140800, residing at A/303 Cross Gate, 4th Cross Lane, Lokhandwala, Andheri (W), Mumbai 400053

WHEREAS, Spark and Dinesh Israni are referred to individually as a "Party" and collectively as "Parties."

WHEREAS, both parties have come together to collaborate and to maximize the benefits from mutual interests and setting out the working arrangements that each of the entities agree are necessary for successful collaboration.

NOW, THEREFORE, it is hereby agreed by and between the undersigned parties as follows:

ARTICLE I: PURPOSE

The purpose of the collaborative relationship contemplated by this MOU is to offer potential synergy exchange and linkage opportunities for acceleration, pre-incubation and mentorship programs for the startups incubated at Spark Incubation Center.

ARTICLE II: BACKGROUND OF THE PARTIES

About Spark Incubation Center

Spark Incubation Centre is designed and operated by the Sagar Smart City Limited (SSCL), Madhya Pradesh State Government Company. This center is at the intersection of the start-up community, government, corporate, academic, and research sectors.

This center is in operation from 25th February 2021 and a range of services have been offered to the Incubates, customized to the needs of them.

1

Dinesh Israni

Leadership and learning are indispensable to one another. - John F. Kennedy

This seems true to every word for Dinesh Israni, an engineer by qualification, an educationist by vocation, a technologist by obsession and an entrepreneur by choice.

Being an integral part of the learning and development industry for more than 3 decades, Dinesh moved onto entrepreneurship and consulting with *Lastmile Business Solutions* - a company focused on technology and business consulting.

His stint as a Engineering college professor to begin with, a passionate learning facilitator with *Dinesh Israni Study Circle [DISC]* through which he trained more than 50000+ students in Basics of Electronics & Electrical [BEE] for almost 3 decades, to being the Director of *Trainers Avenue* - a platform that connects training providers with the seekers, and capping it up as the Dean of *Alamuri Ratnamala Institute of Engineering & Technology [ARMET]* in the recent past, have all added a sheen to his illustrious career as an educationist.

Dinesh, as a consultant and an entrepreneur has been a part a many a success stories. To name a few, *Sunray Consultants* which was one of the early known organizations in the field of advertising, marketing and promotions, *Naman Angels India Foundation* - a complete ecosystem for startups, in which he is steering the group's growth strategy, nationally and internationally.

Dinesh is also a Director with Achievers School of Innovation & Entrepreneurship (ASIE) where he manages both Bachelors in Management & Entrepreneurship and Masters in Management & Entrepreneurship.

Dinesh is a mentor par excellence to many technology entrepreneurs and focuses on converting technology products into businesses that can monetize these technologies.

ARTICLE III: CONSULTATION & EXCHANGE OF INFORMATION

- The mentor agrees to provide a minimum of four hours of mentorship per month to startups in the incubation program.
- The mentor will be available for communication with startups through email, phone, and in-person meetings as mutually agreed upon.
- The mentor will maintain confidentiality regarding any information disclosed by startups and will not disclose any information to any third party without prior written consent from the startup.
- The incubation center will communicate with the mentor and startups to establish mutually agreed upon meeting times and locations.

- Spark incubation center will facilitate communication between the mentor and startups and provide any necessary support to ensure the mentorship relationship is successful.
- Spark may invite the mentor for meetings, sessions, and conferences under their auspices in which, in the opinion of either signatory, the mentor has an interest. Invitations shall be subject to the procedures applicable to such meetings or conferences.
- Spark may request the mentor to take sessions on the specified subjects through video conferences. And the information about the program and the mentorship in general can be shared on social media handles of respective stockholder's social media accounts.
- Spark may request the mentor to take couple of startups to guide, mentor, and support and track the growth of the concerned startup(s).

ARTICLE IV: EXPECTATIONS & BENEFITS

Under the terms of this memorandum of understanding, the parties seek, within the scope of this agreement to:

- Create mutual understanding of the strategy and incubation needs of both the parties to enable broader understanding for Spark of the benefits and opportunities of working with mentor and assist their understanding of the benefits and opportunities of working with Spark.
- Identify synergies between the parties where they relate to each other's business strategies and common interests.
- Create opportunities for future joint or allied funding of activities and projects which translate science into innovative tools or solutions for use by either party.
- Sharing and development of relevant market place for startups.
- Mapping connections and priorities.

ARTICLE VI: SCOPE

The parties acknowledge and agree that the areas of collaboration are not exhaustive in nature and the parties shall in good faith, negotiate to elaborate upon ~~the~~ areas of collaboration, including additional areas of collaboration as may be mutually agreed and the rights, responsibilities, and obligation of each party in relation to each of the areas of collaboration.

Daniel Brown

ARTICLE VII: VISIBILITY

This MOU is not legally binding and can be amended only in writing and subject to agreement by the parties. The parties have decided that neither party will acquire any rights to the intellectual property of the other party under this MOU. The parties recognize that the cooperative arrangements should be publicized.

ARTICLE VIII: TERM, AMENDMENT & TERMINATION

The proposed cooperation under this MOU is non-exclusive and shall have an initial term of 24 (twenty-four) months renewable unless the MOU is terminated by either signatory upon 15 (fifteen) days' notice, in writing to other signatory. The MOU may be extended by mutual agreement of the parties, reflected in writing.

ARTICLE X: NOTICES & ADDRESSES
