WHEREAS, Spark and Prateek Shrivastava are referred to individually as a “Party” and collectively as “Parties”.

WHEREAS, both parties have come together to collaborate and to maximize the benefits from mutual interests and setting out the working arrangements that each of the entities agree are necessary for successful collaboration.

NOW, THEREFORE, it is hereby agreed by and between the undersigned parties as follows:

ARTICLE I: PURPOSE

The purpose of the collaborative relationship contemplated by this MOU is to offer potential synergy exchange and linkage opportunities for acceleration, pre-incubation and mentorship programs for the startups incubated at Spark Incubation Center.

ARTICLE II: BACKGROUND OF THE PARTIES

About Spark Incubation Center

Spark Incubation Centre is designed and operated by the Sagar Smart City Limited (SSCL), Madhya Pradesh State Government Company. This center is at the

intersection of the start-up community, government, corporate, academic, and research sectors.

This center is in operation from **25th February 2021** and a range of services have been offered to the Incubatees, customized to the needs of them.

About Prateek Shrivastava

Prateek is a practicing Patent Attorney in India. He is a qualified Electronics & Communications Engineer and an Advocate registered with the Bar Council of India. He is an empanelled Patent Start-up Facilitator under the Government of India - Start-up India Intellectual Property Scheme (SIPP) and has an extensive Intellectual Property experience. He specializes in counselling on protection and management of Intellectual Property Assets.

Prateek has represented clients from sectors like Information & Technology, Electronics, Fast Moving Consumer Goods (FMCG) and recognized universities and professors/scholars from universities such as IIT Bombay, NITs, BMJ Munjal University, Ramrao Adik Institute of Technology (RAIT) Mumbai, St. Peter's Institute of Research & Technology, PSR Engineering College, ABV-IIITM Gwalior to name a few.

Prateek has also signed MoU's to foster innovation and create an IP ecosystem in India with institutes and Incubation Centres such as Nehru Group of Institution – Chennai, Symbiosis Centre for Entrepreneurship and Innovation – Pune, Gwalior Smart City Project, ITS Engineering College – Greater Noida, AIC – Birla Institute of Management and Technology, MITS Gwalior, ITM Gwalior, PSR Engineering College, Ramrao Institute of Technology (DY Patil University), Guru Nanak Institute of Technology, Nagpur to name a few and many more are in pipeline.

Prateek is a regular speaker at various IP forums which are including but not limited to Cell for IPR Promotion & Management - Government of India, Madhya Pradesh Council of Science & Technology- Government of MP, various incubation centres, and Technical Universities in India. He is also an IP mentor to various Incubation Centres and Technical Universities in India.

Prateek is also a member of esteemed International and National organizations such as International Association for the Protection of Intellectual Property (AIPPI), Society of Automotive Engineers India, and MSME – Start-up Forum. He is also an empanelled legal expert in a committee formed under Government of India's KAPILA scheme by MITS Gwalior, ITM Gwalior, and Ramrao Adik Institute of Technology (RAIT) Mumbai.

At PNA Intellectual Property & Technology Attorneys, Prateek is in charge of overall end-to-end operations and focuses on technical and legal aspects of Intellectual Property and business intelligence.

ARTICLE III: CONSULTATION & EXCHANGE OF INFORMATION

- The mentor agrees to provide a minimum of four hours of mentorship per month to startups in the incubation program.
- The mentor will be available for communication with startups through email, phone, and in-person meetings as mutually agreed upon.
- The mentor will maintain confidentiality regarding any information disclosed by startups and will not disclose any information to any third party without prior written consent from the startup.
- The incubation center will communicate with the mentor and startups to establish mutually agreed upon meeting times and locations.
- Spark incubation center will facilitate communication between the mentor and startups and provide any necessary support to ensure the mentorship relationship is successful.
- Spark may invite the mentor for meetings, sessions and conferences under their auspices in which, in the opinion of either signatory, the mentor has an interest. Invitations shall be subject to the procedures applicable to such meetings or conferences.
- Spark may request the mentor to take sessions on the specified subjects through video conferences. And the information about the program and the mentorship in general can be shared on social media handles of respective stockholders social media accounts.
- Spark may request the mentor to take couple of startups to guide, mentor, and support and track the growth of the concerned startup(s).

ARTICLE IV: EXPECTATIONS & BENEFITS

Under the terms of this memorandum of understanding, the parties seek, within the scope of this agreement to:

- Create mutual understanding of the strategy and incubation needs of both the parties to enable broader understanding for Spark of the benefits and opportunities of working with mentor and assist their understanding of the benefits and opportunities of working with Spark.
- Identify synergies between the parties where they relate to each other's business strategies and common interests.

- Create opportunities for future joint or allied funding of activities and projects which translate science into innovative tools or solutions for use by either party.
- Sharing and development of relevant market place for startups.
- Mapping connections and priorities.

ARTICLE VI: SCOPE

The parties acknowledge and agree that the areas of collaboration are not exhaustive in nature and the parties shall in good faith, negotiate to elaborate upon the areas of collaboration, including additional areas of collaboration as may be mutually agreed and the rights, responsibilities and obligation of each party in relation to each of the areas of collaboration.

ARTICLE VII: VISIBILITY

This MOU is not legally binding and can be amended only in writing and subject to agreement by the parties. The parties have decided that neither party will acquire any rights to the intellectual property of the other party under this MOU. The parties recognize that the cooperative arrangements should be publicized.

ARTICLE VIII: TERM, AMENDMENT & TERMINATION

The proposed cooperation under this MOU is non-exclusive and shall have an initial term of 24 (twenty-four) months renewable unless the MOU is terminated by either signatory upon 15 (fifteen) days' notice, in writing to other signatory. The MOU may be extended by mutual agreement of the parties, reflected in writing.
