ARTICLE II: BACKGROUND OF THE PARTIES

About Spark Incubation Center

Spark Incubation Centre is designed and operated by the Sagar Smart City Limited (SSCL), Madhya Pradesh State Government Company. This center is at the intersection of the start-up community, government, corporate, academic, and research sectors.

This center is in operation from **25th February 2021** and a range of services have been offered to the Incubatees, customized to the needs of them.

About Ravishekar V Kalepu

An expert in exploring startup ideas and understanding the disruptive advantage in an innovative proposal. My intuitions have played a vital role in recognizing bold transformative ideas.

Work closely with startups that I have invested and fine-tune their strategy with my expertise gained from two and a half decades of expertise in CRM management.

My assets are creating a workable business module for startups and market validations of the products. Helping startups to define their business goals, develop a feasible finance model and helping them designing a growth strategy is my hobby. I am open to offer strategic advisory to budding entrepreneurs and help them scale up.

Networking and staying in touch has been a challenging assignment that I have mastered. This helps in connecting startups with many high profile personalities with whom I am associated. This not only helps them grow but also aids them in assessing their dynamics.

From a regular 9-5 job in senior positions at Global IT Corporations, I have shifted my focus to creating value proposition to the ecosystem. I am fascinated with new ideas that bring about a rapid change in the society.
