About **RISE** - Jhansi Smart City Incubation Centre

RISE Jhansi Incubation Centre is a business incubation centre of Jhansi Smart City Limited. By offering mentorship, support for innovation, financial facilitation, technological support, marketing guidance, and other necessary support, this incubation centre aims to create a culture of excellence and sustain the young business people.

About Jhansi Smart City

Jhansi in Uttar Pradesh (India) is one of the shortlisted cities selected in 3rd round from the total 100 shortlisted cities by Ministry of Urban Development (MoUD), Government of India. As per the directions of Government of India (GoI), Special Purpose Vehicle (SPV) was incorporated with the name "Jhansi Smart City Limited" on 22nd November 2016. JSCL is headed by a full time Chief Executive Officer (CEO) and has nominees of Central Government, State Government and ULB on its Board. Jhansi Smart City envisages establishing various initiatives with strong Information & Communication Technology (ICT) backbone for seamless experience for residents, employees and other stakeholders with reduced energy consumption and reduced environmental stress.
